Just 22 Shopping Days 'Til Christmas

# It's Time to Think of Christmas Shopping

22 Shopping Days Until Christmas

## Bountiful Yuletide Stocks Await You In Over 100 Torrance Stores!

If you haven't shopped in Torrance lately, you will be amazed at the different appearance of Torrance stores. Many new merchants are here to serve you, and the older stores have increased their stocks and widened the variety of their merchandise. Torrance, you know, is now the third "biggest" city in Los Angeles county,—bigger in area than Long Beach. Torrance is the shopping center for over 65,000 people who live within five miles of its business district.

## Torrance Merchants Have All Reduced Prices!

This Christmas, when you'll want to make every penny count, shop in Torrance for your gifts. Nowhere will you find better values. Retail prices have been reduced in keeping with lowered manufacturing costs. Why not avoid the tiresome crowds of the big city, the expensive traveling costs and increased parking fees,—the time lost away from home duties and pleasures. Shop with ease and comfort in Torrance stores. Your patronage will be thoroughly appreciated and your good will cherished.
